OR93-507

Dear Ms. Porras:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. Your request was assigned ID# 20949.

You sought an open records decision from this office pursuant to section 7(c) of the act. Consequently, this office notified representatives of Colonnade Office Center that we received your request for an open records decision regarding all correspondence and lease documents for a particular location. In our letter to Colonnade Office Center, this office requested an explanation as to why portions of their records are excepted from public disclosure, with the caveat that their failure to provide such explanation within a reasonable time would result in this office instructing you to disclose the information.

More than 21 days have elapsed since this office issued the notice, but Colonnade has failed to provide this office with any explanation as to why the requested documents should not be released. Consequently, we have no basis for applying any exceptions to required public disclosure to this information. See Open Records Decision No. 552 (1990). Because neither you nor Colonnade have contended to this office that the requested information should be withheld, you should release the information at this time. If you have any questions regarding this letter, please refer to OR93-507.

Yours very truly,

Rebecca L. Payne
